

Mirae Asset Nifty SDL June 2028 Index Fund

(An open-ended target maturity Index Fund investing in the constituents of Nifty SDL June 2028 Index. A scheme with relatively high interest rate risk and relatively low credit risk)

ANNEXURE 2

I. Liquidity

The Scheme will offer units for purchases/switch-ins and redemptions/switch-outs at NAV based prices on all business days on an ongoing basis. Repurchase of Units will be at the NAV prevailing on the date the units are tendered for repurchase.

As per SEBI Regulations, the Mutual Fund shall dispatch redemption proceeds within 3 Business Days of receiving a valid redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not made within 3 Business Days from the date of receipt of a valid redemption request.

Further, clause 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024 has provided list of exceptional instances wherein additional time has been allowed for payment of redemption or repurchase proceeds.

II. NAV disclosure

- **Disclosure Timings:**

The AMC shall update the NAVs on the website of the Mutual Fund <https://www.miraeassetmf.co.in/> and on the website of Association of Mutual Funds in India - AMFI (www.amfiindia.com) by 11.00 p.m. on every Business Day.

In case of any delay, the reasons for such delay would be explained to AMFI and SEBI by the next day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAVs.

- **Disclosure pertaining to illustration on computation of NAV and Methodology for calculation of sale and re-purchase price of the units of mutual fund schemes:**

The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date.

NAV of Units under the Options there under can be calculated as shown below:

$$\text{NAV} = \frac{(\text{Market or Fair Value of Scheme's investments} + \text{Current assets including Accrued Income} - \text{Current Liabilities and provisions including accrued expenses})}{\text{No. of Units outstanding under the Scheme/Option.}}$$

The NAV, the sale and repurchase prices of the Units will be calculated and announced at the close of each working day. The NAVs of the Scheme will be computed and units will be allotted upto 4 decimals.

Computation of NAV will be done after taking into account Income Distribution Cum Capital Withdrawal paid, if any, and the distribution tax thereon, if applicable.

The valuation of the Schemes' assets and calculation of the Schemes' NAVs shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

Illustration on Computation of NAV:

If the net assets of the Scheme are Rs. 10,65,44,345.34 and units outstanding are 1,00,00,000 then the NAV per unit will be computed as follows:

$$10,65,44,345.34 / 1,00,00,000 = \text{Rs. } 10.6544 \text{ p.u. (rounded off to four decimals)}$$

Methodology for calculation of sale and re-purchase price of the units of mutual fund scheme:

- **Ongoing Price for subscription (purchase)/ switch-in (from other schemes/ plans of the mutual fund) by investors. (This is the price you need to pay for purchase/ switch-in):**

The Sale Price for a valid purchase will be the Applicable NAV.

i.e. Sale Price = Applicable NAV

For a valid purchase request of Rs. 10,000 where the applicable NAV is Rs. 11.1234, the units allotted will be:

$$= \frac{10,000 \text{ (i.e. purchase amount)}}{11.1234 \text{ (i.e. applicable NAV)}}$$

$$= 899.006 \text{ units (rounded to three decimals)}$$

Other charges/expenses, if any, borne by the investors have not been considered in the above illustration.

- **Ongoing Price for redemption (sale)/ switch-outs (to other schemes/plans of the mutual fund) by investors. (This is the price you will receive for redemptions/ switch-outs):**

The Repurchase Price for a valid repurchase will be the applicable NAV reduced by any exit load (say 1%).

i.e. applicable NAV - (applicable NAV X applicable exit load).

For a valid repurchase request where the applicable NAV is Rs. 12.1234, the repurchase price will be:

$$= 12.1234 - (12.1234 \times 1.00\%)$$

$$= 12.1234 - 0.1212$$

$$= \text{Rs. } 12.0022$$

Therefore, for a repurchase of 899.006 units, the proceeds received by the investor will be -

$$= 899.006 \text{ (units)} \times 12.0022 \text{ (Repurchase price)}$$

$$= \text{Rs. } 10,790.02 \text{ (rounded to two decimals)}$$

Other charges/expenses, if any, borne by the investors have not been considered in the above illustration.

The Mutual Fund may charge the load within the stipulated limit of 3% and without any discrimination to

any specific group. The Repurchase Price however, will not be lower than 97% of the NAV.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

III. Applicable timelines

Timeline for

- Dispatch of redemption proceeds: 3 working days from the date of redemption
- Dispatch of IDCW (if applicable) etc.: within 7 working days from the record date

IV. Breakup of Annual Scheme Recurring expenses

NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid marketing and advertising, registrar expenses, printing and stationary, bank charges etc. NFO expenses were borne by the AMC. No NFO expenses were charged to the Scheme.

ANNUAL SCHEME RECURRING EXPENSES

The AMC has estimated that upto 1.00% of the daily net assets of the scheme will be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund <https://www.miraassetmf.co.in/downloads/statutory-disclosure/total-expense-ratio>

Expense Head	% p.a. of daily Net Assets* (Estimated p.a.)
Investment Management & Advisory Fee	Upto 1.00%
Audit fees/fees and expenses of trustees	
Custodial Fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	
Marketing & Selling expense incl. agent commission**	
Costs related to investor communications	
Costs of fund transfer from location to location	
Cost towards investor education & awareness ^	
Brokerage & transaction cost pertaining to distribution of units	
Goods & Services Tax on expenses other than investment and advisory fees	
Goods & Services Tax on brokerage and transaction cost	
Other Expenses (to be specified as per Reg 52 of SEBI MF Regulations) *	
Maximum Total expenses ratio (TER) permissible under Regulation 52 (6) (c)	Upto 1.00%
^ Additional expenses under regulation 52 (6A) (c)	Upto 0.05%

*Other expenses: Any other expenses which are directly attributable to the Scheme, may be charged with approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

^In accordance with SEBI circular No. SEBI/ HO/ IMD/ PoD2/ P/ CIR/ 2024/ 183 dated December 31, 2024, the charges applicable for investor education and awareness initiatives will be 5% of total TER charged to direct plans, subject to maximum of 0.5 bps of AUM.

For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund.

The purpose of the above table is to assist the investor in understanding the various costs & expenses that the investor in the Scheme will bear directly or indirectly. These estimates have been made in good faith as per the information available to the AMC and the above expenses (including investment management and advisory fees) are subject to inter-se change and may increase/decrease as per actual and/or any change in the Regulations, as amended from time to time.

All scheme related expenses including commission paid to distributors, by whatever name it may be called and in whatever manner it may be paid, shall necessarily be paid from the scheme only within the regulatory limits and not from the books of the Asset Management Companies (AMC), its associate, sponsor, trustee or any other entity through any route.

All fees and expenses charged in a direct plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a regular plan. The TER of the Direct Plan will be lower to the extent of the distribution expenses/commission which is charged in the Regular Plan and no commission for distribution of Units will be paid / charged under the Direct Plan.

In addition to the limits as specified in Regulation 52(6) of SEBI (Mutual Funds) Regulations 1996 [‘SEBI Regulations’] or the Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the scheme namely: -

(a) GST payable on investment and advisory service fees (‘AMC fees’) charged by Mirae Asset Investment Managers (India) Private Limited (‘Mirae Asset AMC’);

Within the Total Expense Limit chargeable to the Scheme, following will be charged to the Scheme:

(a) GST on other than investment and advisory fees, if any, (including on brokerage and transaction costs on execution of trades) shall be borne by the Scheme;

(b) Investor education and awareness initiative fees of 5% of total TER Charged to the Scheme, subject to maximum of 0.5 bps of AUM.

(c) Brokerage and transaction cost incurred for the purpose of execution shall be charged to the schemes (a) up to 12 bps and 5 bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage & transaction costs, over and above the said 12 bps and 5 bps for cash market transactions and derivatives transactions respectively may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 of the SEBI (Mutual Funds) Regulations, 1996

The current expense ratios will be updated on the AMC website <https://miraeassetmf.co.in/downloads/regulatory>.

Further, the notice of change in base TER (i.e. TER excluding additional expenses provided in Regulation 52(6A) (b) and 52(6A)(c) of SEBI (Mutual Funds) Regulations, 1996) in comparison to previous base TER charged to the scheme will be communicated to investors of the scheme through notice via email or SMS

at least three working days prior to effecting such change.

However, any decrease in TER due to decrease in applicable limits as prescribed in Regulation 52 (6) (i.e. due to increase in daily net assets of the scheme) would not require issuance of any prior notice to the investors. Further, such decrease in TER will be immediately communicated to investors of the scheme through email or SMS and uploaded on the AMC website.

The above change in the base TER in comparison to previous base TER charged to the scheme shall be intimated to the Board of Directors of AMC along with the rationale recorded in writing.

The changes in TER shall also be placed before the Trustees on quarterly basis along with rationale for such changes.

****Direct Plan** shall have a lower expense ratio excluding distribution expenses, commission, etc and no commission for distribution of Units will be paid / charged under Direct Plan. The TER of the Direct Plan will be lower to the extent of the abovementioned distribution expenses/ commission which is charged in the Regular Plan.

Illustration of impact of expense ratio on scheme's returns (by providing simple example)

Particulars		Regular Plan	Direct Plan
Opening NAV per unit	A	10.0000	10.0000
Gross Scheme Returns @ 8.75%	B	0.8750	0.8750
Expense Ratio @ 1.50 % p.a.	$C = (A \times 1.50\%)$	0.1500	0.1500
Distribution Expense Ratio @ 0.25 % p.a. *	$D = (A \times 0.25\%)$	0.0250	0.0000
Total Expenses	$E = C + D$	0.1750	0.1500
Closing NAV per unit	$F = A + B - E$	10.7000	10.7250
Net 1 Year Return	$F/A - 1$	7.00%	7.25%

*Distribution/Brokerage expense is not levied

The above calculation is provided to illustrate the impact of expenses on the scheme returns and should not be construed as indicative Expense Ratio, yield or return.

VI. Risk factors

➤ **Scheme Specific Risk Factors**

The Scheme is subject to the principal risks described below. Some or all of these risks may adversely affect Scheme's NAV, trading price, yield, return and/or its ability to meet its objectives.

Scheme Specific Risk Factors

Risks Associated with Debt & Money Market Instruments

- **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
- **Credit Risk:** In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government securities, there is no credit risk to that extent.
- **Liquidity or Marketability Risk:** This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market.
- **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
- **Pre-payment Risk:** Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.
- **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.
- **Concentration Risk:** The Scheme portfolio may have higher exposure to a single sector, subject to maximum of 20% of net assets, depending upon availability of issuances in the market at the time of investment, resulting in higher concentration risk. Any change in government policy / businesses environment relevant to the sector may have an adverse impact on the portfolio.
- **Different types of securities in which the scheme would invest as given in the SID carry different levels and types of risk.** Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated.

Risk Factors associated with Scheme:

- **Passive Investments:** The Scheme being an Index Fund, will not be actively managed and will be managed as under the SEBI guidelines. Performance of the Underlying Index will have a direct bearing on the performance of the Scheme.
- **Tracking Error and Tracking Difference Risk:** Tracking error is the standard deviation of the difference in daily returns between the Scheme and the underlying index annualized over 1 year period. Tracking Difference is the annualized difference of daily returns between the index and the NAV of the Scheme. Tracking Error and Tracking difference is divergence of the performance (return) of the Fund's portfolio from that of the Underlying Index. Based on that the availability of issuances, it is expected that the Portfolio allocation could be different than that of underlying index allocation and could result in Tracking Error. That said, the risk parameters of the portfolio of the Scheme and underlying index could be similar. The AMC would monitor the tracking difference of the Scheme on an ongoing basis and would seek to minimize tracking difference to the maximum extent possible. The annualized tracking difference averaged over one year period shall not exceed 1.25%

Tracking error and tracking difference could be the result of a variety of factors including but not limited to:

- Delay in the purchase or non-availability of securities which are part of the Index
- Delay in liquidation of bonds which have been removed by the Index
- Due to timing of transactions either on RFQ platforms or in open market
- Due to investment in out of index investments such as Government securities, Repo in Government securities and TREPs
- Due to over-weight / under-weight investment in bonds of issuers at ISIN level which are part of the Index
- Due to mismatch in the weight of the issuers forming part of the Index and the Scheme throughout life of the Scheme.
- Change in asset allocation between the Index and the Scheme in the last year of the Scheme.
- Difference in valuation of underlying bonds by the Index Provider and AMC's valuation providers.
- Available funds may not be invested at all times as the Scheme may keep a portion of the funds in cash to meet Redemptions, or corporate actions or otherwise
- Fees and expenses of the Scheme.
- The Scheme has to invest in the securities in whole numbers and has to round off the quantity of securities.
- Interest/Payout of Income Distribution cum capital withdrawal Option.
- Changes in the constituents of the underlying Index. Whenever there are any changes, the Scheme has to reallocate its investment as per the revised Index but market conditions may not offer an opportunity to rebalance its portfolio to match the Index and such delay may affect the NAV of the Scheme.

While the intent of the scheme is to track the performance of the underlying index by investing in the bond forming part of the index, due to issues pertaining to liquidity of the debt market in India, the SEBI has prescribed guidelines within which the passive scheme may manage the allocation in the bonds and issuers which may or may not form part of the index, with same or different weightages, in order to ensure the risk replication of the underlying index within the allowed range. This will result in fund portfolio different from the index portfolio with difference in the performance and volatility of the scheme.

Due to lack of liquidity in the underlying bonds, the scheme may not be able to deploy the subscription in the desired bonds and issuers, leading to tracking error. During redemption, the scheme may not be able to liquidate the underlying bonds, resulting in delay in investor realizing the redemption proceeds. Though, AMC shall strive to do so within the regulatory guidelines on the same.

Trade Execution Risk on RFQ Platforms:

Current SEBI regulations mandates Mutual Funds to execute certain % of their monthly trading volume in corporate bonds on RFQ platforms. RFQ platforms are peer-to-peer platforms and are still in development stage. Therefore, they have lower level of secondary market liquidity. Mandatory execution of trades on RFQ among MFs may hamper trade execution efficiency during periods of heavy outflows.

Risks associated with segregated portfolio

- 1) Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer.
- 2) Security comprises of segregated portfolio may not realize any value.
- 3) Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

Risk Associated while transacting through Email:

The AMC allows investors for transacting in mutual fund units through email. This may involve certain risks which the investor should carefully consider. Investors should note that email based instructions are inherently vulnerable to risks such as interception, unauthorised access, phishing, spoofing, failed delivery and unintended transmission and should ensure appropriate safeguards are in place when using such mode of transaction. The AMC does not accept any responsibility or liability for any loss, damages or inconvenience caused due to errors, delays, non - receipt or unauthorised access associated with transacting through email.

Risk mitigation strategies

Risk associated with Government securities:

Investment in Government securities like all other debt instruments is subject to price and interest rate risk. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in prices is a function of the existing coupon, days to maturity and the increase or decrease in interest rates. Price-risk is not unique to Government securities but is true for all fixed income securities. Despite a high degree of liquidity in comparison with other debt instruments on occasions, there could be difficulties in transacting in the market due to extreme volatility or unusual constriction in market volumes or on occasions when an unusually large transaction has to be put through.

Risks associated with investing in Tri-Party Repo through CCIL (TREPS)

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Triparty Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus, reducing the settlement and counterparty risks considerably for transactions in the said segments. CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the “Default Waterfall”. As per the waterfall mechanism, after the defaulter’s margins and the defaulter’s contribution to the default fund have been appropriated, CCIL’s contribution is used to meet the losses. Post utilization of CCIL’s contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members. Thus, the scheme is subject to risk of the initial margin and

default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member). However, it may be noted that a member shall have the right to submit resignation from the membership of the Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last re-computation of the Default Fund or specified amount, whichever is lower. Further, it may be noted that, CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.

RISK CONTROL

The Scheme will predominantly invest in SDLs which are constituents of the underlying Index viz. Nifty SDL June 2028 Index. Based on the availability of issuances, it is expected that the portfolio allocation could be different than that of underlying index allocation and could result in Tracking Error. That said broad risk parameters of the portfolio of the Scheme such as credit rating, weighted average YTM, weighted average maturity, asset allocation etc. are expected to be similar to the Underlying Index.

The Scheme's exposure to money market instruments will be in line with the asset allocation table.

This allocation will be monitored periodically and it shall be ensured that investments are made in accordance with the Scheme objective and within the regulatory and internal investment restrictions prescribed from time to time.

Since disciplined investing requires risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The Scheme has a detailed process to identify, measure, monitor and manage various portfolio risks.

The objective is to understand these risks and mitigate them wherever possible.

Risk & Description specific to the Scheme	Risk mitigants / Management Strategy
Market/Volatility Risk: Risk arising due to price fluctuations and volatility, having material impact on the overall returns of the Scheme.	The Scheme, being a Target Maturity Date index fund structure, is expected to follow a Buy and Hold investment strategy in a passive manner. Based on that, we expect to mitigate intermittent price volatility in the underlying assets. Investors who remain invested until the maturity of the Scheme are expected to mitigate market / volatility risk to large extent.
Credit risk: Risk associated with repayment of investment	The Scheme intends to invest predominantly in State Development Loans (SDL) issued and serviced by Reserve Bank of India (RBI). SDLs are eligible for SLR investment
Interest rate risk: Price volatility due to movement in interest rates	The Scheme being passively managed and a Target Maturity Date index fund structure, is expected to follow a Buy and Hold investment

	strategy in a passive manner. All investments are within the maturity date of the Scheme and the underlying Index. This should help mitigate the interest rate risk.
Concentration risk: Risk arising due to over exposure in few securities	The index intends to invest across SDLs issued by different states.
Event risk: Price risk due to company or sector specific event	The Scheme intends to invest in predominantly SDLs issued by State governments. These bonds SDLs are perceived to be relatively safe with quasi sovereign risk due their government ownership.
Performance risk: Risk arising due to change in factors affecting the market	The scheme is passively managed

Risk Management & Liquidity Management tools:

Potential Risk Matrix (PRC) & Risk-o-meter: Investors are requested to review this scheme's Potential Risk Matrix (PRC) to understand the maximum risk that this scheme will run as per design and & Risk-o-meter to understand periodical measurement of that risk on a regular basis. Investors are suggested to read about various disclosures under the section "PERIODIC DISCLOSURES" pertaining to "Potential Risk Class Matrix" & "Product Labelling and Risk-o-meter" to understand in detail the disclosure frequency and remedial measures in case of breaches in the boundaries

Mandatory Liquidity requirement: The scheme adopts the Liquidity Risk Management framework mandated by SEBI and AMFI which helps estimates liquidity requirement by determining liquidity risk arising from the liability side and tries to covers all potential liquidity risk scenarios up to agreed confidence interval and has mandated remedial measures both for managing the risk on an ongoing basis (LRaR & LCRaR) as well as action plan in case there is a difference between actual outcome and projected outcome. Investors can refer to the circular 135/ BP/93/ 2021-22 dated July 24, 2021 and subsequent circulars for detail understanding on the Liquidity Risk Management Framework.

Further Investment manager also evaluates and monitors the Asset Liability Mismatch (ALM) which addresses the gap in the estimated potential liquidity requirement over a 90-day period and schemes investment / assets liquidity to meet the potential requirement and best ensures that scheme has necessary liquidity to meets its liability obligations

Stress testing the scheme portfolio: The investment manager periodically stress tests the scheme portfolio to address the asset side risk from an Interest Rate, Credit and Liquidity Risk perspective at an aggregate portfolio level and evaluate the stress in terms of its impact on the NAV of the scheme. The stress test is performed using the methodology and periodicity as mandated by AMFI in consultation to SEBI.

Swing Pricing: The AMC has a Swing Pricing policy in place to help in case of severe liquidity stress at an AMC level or a severe dysfunction at market level, the Swing Pricing offers the contingency plan in case of extreme exigencies. Investors are suggested to read the detail disclosure pertaining to this policy in "Swing Pricing Framework".

VII. Index methodology

Disclosure regarding the Index:

Index Universe: Nifty SDL June 2028 Index seeks to measure the performance of portfolio of 20 State Development Loans (SDLs) maturing during the twelve-month period ending June 30, 2028.

The index is computed using the total return methodology including price return and coupon return.

The index has a base date of March 15, 2023 and a base value of 1000.

Eligible Criteria & Methodology:

The methodology is in compliance with the Norms for Debt Exchange Traded Funds (ETFs)/Index Funds as per Clause 3.5 of SEBI Master circular dated June 27, 2024.

Eligibility Norms

SDL should not be a special security

State/UT Selection

20 states/UTs are selected based on the highest outstanding amount as on February 28, 2023 maturing during the twelve month period ending June 30, 2028.

Security Selection

As on February 28, 2023, for every selected state/UT, SDLs with longest maturity maturing during the twelve month period ending June 30, 2028 is selected to be part of the index.

Weight Assignment

- Each state/UT that is part of the index is given equal weight as on the base date of the index
- Subsequently, the security level weights may drift due to price movement
- Any coupon amount received is assumed to be reinvested in the portfolio on the same date, in the proportion of the existing weights

Index Rebalancing and Reconstitution

- On a semi-annual basis, index will be screened for compliance with the Norms for Debt Exchange Traded Funds (ETFs)/Index Funds as per clause 3.5 of SEBI Master Circular dated June 27, 2024. In case of non-compliance, suitable corrective measures will be taken to ensure compliance with the norms
- Index will be reviewed at the end of each calendar half-year with data cut-off date being 15 working days (T-15) before last working day of calendar half-year (T). Changes shall be effective from last working day of calendar half-year
- During the semi-annual index review, if there is an eligible SDL available with a longer maturity of the same state/UT, maturing during the twelve month period ending June 30, 2028, the existing SDL of that state/UT will be replaced by the available longer maturity SDL of the same state/UT, otherwise the existing SDL of that state/UT will continue to be part of the index
- During the semi-annual index review, the weights of all the securities will reset based on original weight method
- As the index includes securities that shall mature during the twelve month period ending on the final maturity date of the index, any proceeds from the security redemption prior to the final maturity date of the index shall be re-invested using the following waterfall approach:
 - The proceeds from security redemption will be reinvested in the longest maturity outstanding security issued by the same issuer (SDL in case of state/UT) and maturing on or just before the index maturity date with the same weightage. This will be subject to the single issuer limit in

compliance with the Norms for Debt Exchange Traded Funds (ETFs)/Index Funds as per clause 3.5 of SEBI Master Circular dated June 27, 2024.

- In case a replacement in the form of outstanding security of the same issuer cannot be found for reinvestment then the proceeds from such redemption shall be reinvested in the remaining portfolio on the same date in the proportion of the existing weights. This will be subject to the single issuer limit in compliance with the Norms for Debt Exchange Traded Funds (ETFs)/Index Funds as per clause 3.5 of SEBI Master Circular dated June 27, 2024.
- In case due to any reason, it is not possible to meet any norms as prescribed under clause 3.5 of SEBI Master Circular dated June 27, 2024 then the proceeds from such redemption shall be reinvested in a T-Bill maturing on or just before the index maturity date.
- If the last outstanding security (including T-Bill) in the index matures before the final index maturity date, all redemption proceeds shall be re-invested in The Clearing Corporation of India Ltd.'s (CCIL) TREPS overnight rate tracked by Nifty 1D Rate Index for any subsequent days till the maturity of the index

Index Termination

The index shall mature on June 30, 2028. If the index matures on a holiday, the index value will be computed till the prior working day.

XVIII. What are the investment restrictions?

The following investment limitations and other restrictions, inter alia, as contained in the Trust Deed and the Regulations apply to the Scheme:

- Inter scheme transfers of investments from one scheme to another scheme in the same Mutual Fund shall be allowed only if such transfers are done at the prevailing market price for quoted instruments on spot basis. Explanation – “Spot basis” shall have same meaning as specified by stock exchange for spot transactions. The

securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.

Pursuant to Clause 12.30 of SEBI Master Circular dated June 27, 2024, ISTs may be allowed in the following scenarios:

- i. for meeting liquidity requirement in a scheme in case of unanticipated redemption pressure
- ii. for Duration/ Issuer/ Sector/ Group rebalancing

No IST of a security shall be done, if there is negative news or rumors in the mainstream media or an alert is generated about the security, based on internal credit risk assessment. The Scheme shall comply with the guidelines for inter-scheme transfers as specified under clause 12.30 of SEBI Master Circular dated June 27, 2024.

- The Scheme may invest in another scheme under the same asset management company or in any other mutual fund without charging any fees, provided the aggregate inter scheme investments made by all Schemes under the same management company or in schemes under the management of any other AMC shall not exceed 5% of NAV of the Mutual Fund. [Provided that this clause shall not apply to any fund of funds scheme.]
- The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relative securities and in all cases of sale, deliver the securities and shall in no case put itself in a position whereby it has to make short sale or carry forward transactions or engage in badla finance.
- The Fund shall get the securities purchased or transferred in the name of the Fund on account of the concerned scheme, wherever investments are intended to be of a long-term nature.
- The Scheme shall not make any investment in: a) Any unlisted security of an associate or group company of the Sponsor; or b) Any security issued by way of private placement by an associate or group company of the sponsor; or c) The listed securities of group companies of the Sponsor which is in excess of 25% of the net assets.
- The Scheme shall not invest in a fund of funds scheme.
- The Mutual Fund having an aggregate of securities which are worth Rs.10 crores or more, as on the latest balance sheet date, shall subject to such instructions as may be issued from time to time by SEBI, settle their transactions entered on or after January 15, 1998 only through dematerialized securities. Further, all transactions in government securities shall be in dematerialized form.
- The mutual fund shall not borrow except to meet temporary liquidity needs of the mutual funds for the purpose of repurchase, redemption of units or payment of interest or IDCW to the unitholders. Provided that the mutual fund shall not borrow more than 20 per cent of the net asset of the scheme and the duration of such a borrowing shall not exceed a period of six months.
- Pursuant to Clause 3.5 of SEBI Master Circular dated June 27, 2024 replication of the Index by the Scheme shall be as follows:

The Scheme shall be considered to be replicating the underlying index, provided:

- i. The duration of the portfolio of Scheme replicates the duration of the underlying index within a maximum permissible deviation of +/- 10%.
- ii. The following norms for permissible deviation in duration shall apply:

- a) For portfolio with residual maturity of greater than 5 years: Either +/- 6 months or +/- 10% of duration, whichever is higher.
- b) For a portfolio with residual maturity of up to 5 years: Either +/- 3 months or +/- 10% of duration, whichever is higher.
- c) However, at no point of time, the residual maturity of any security forming part of the portfolio shall be beyond the target maturity date of the Scheme.

As per Clause 12.16 of SEBI Master Circular dated June 27,2024:

- Total investment of the Scheme in Short term deposit(s) of all the Scheduled Commercial Banks put together shall not exceed 15% of the net assets. However, this limit can be raised upto 20% of the net assets with prior approval of the trustees. Further, investments in Short Term Deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- “Short Term” for parking of funds by Mutual Funds shall be treated as a period not exceeding 91 days
- The Scheme shall not invest more than 10% of the net assets in short term deposit(s), of any one scheduled commercial bank including its subsidiaries.
- The Scheme shall not invest in short term deposit of a bank which has invested in that Scheme. AMC shall also ensure that the bank in which a scheme has Short term deposit do not invest in the said scheme until the scheme has Short term deposit with such bank.
- Asset Management Company (AMC) shall not be permitted to charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
- The investments in short term deposits of scheduled commercial banks will be reported to the Trustees along with the reasons for the investment which, inter-alia, would include comparison with the interest rates offered by other scheduled commercial banks. Further, AMC shall ensure that the reasons for such investments are recorded in the manner prescribed in Clause 12.23 of SEBI Master Circular dated June 27, 2024.
- The Scheme will comply with SEBI regulations and any other regulations applicable to the investments of Funds from time to time. The Trustee may alter the above restrictions from time to time to the extent that changes in the regulations may allow. All investment restrictions shall be applicable at the time of making investment.
- The aforesaid limits shall not be applicable to term deposits placed as margins for trading in cash and derivatives market.
- The Scheme will comply with any other regulations applicable to the investments of mutual funds from time to time.
- The cumulative gross exposure through State Development Loans and Money Market instruments shall not exceed 100% of the net assets of the scheme or guidelines as may be specified by SEBI from time to time.

All investment restrictions stated above shall be applicable at the time of making investment.

Apart from the investment restrictions prescribed under SEBI (MF) Regulations, the Fund does not follow any internal norms vis-à-vis limiting exposure to a particular scrip or sector etc.

XIX. Where Will the Scheme Invest?

Investment in State Development Loans (SDLs):

The Scheme would invest in State Development Loans representing the State Development Loans comprising Nifty SDL June 2028 Index and endeavor to track the benchmark index.

Investment in money market instruments:

The Scheme may also invest in money market instruments, in compliance with Regulations. Money Market Instruments will include only treasury bills and government securities having a residual maturity up to one year, Tri-party Repo on government securities or T-bills and any other like instruments as specified by the Reserve Bank of India from time to time. The Scheme will not invest in Commercial Paper, Certificate of Deposits, Bill – rediscounting (BRDS).

Overview of Debt Markets in India

Indian fixed income market, one of the largest and most developed in South Asia, is well integrated with the global financial markets. Screen based order matching system developed by the Reserve Bank of India (RBI) for trading in government securities, straight through settlement system for the same, settlements guaranteed by the Clearing Corporation of India and innovative instruments like TREPS have contributed in reducing the settlement risk and increasing the confidence level of the market participants.

The RBI reviews the monetary policy six times a year giving the guidance to the market on direction of interest rate movement, liquidity and credit expansion. The central bank has been operating as an independent authority, formulating the policies to maintain price stability and adequate liquidity. Bonds are traded in dematerialized form. Credit rating agencies have been playing an important role in the market and are an important source of information to manage the credit risk.

Government (Central and State) is the largest issuer of debt in the market. Public sector enterprises, quasi government bodies and private sector companies are other issuers. Insurance companies, provident funds, banks, mutual funds, financial institutions, corporates and FPIs are major investors in the market. Government loans are available up to 40 years maturity. Variety of instruments available for investments including plain vanilla bonds, floating rate bonds, money market instruments, structured obligations and interest rate derivatives make it possible to manage the interest rate risk effectively.

Indicative levels of the instruments as on October 31, 2025 are as follows:

Instrument	Maturity	Tenure	Yield	Liquidity
TREPS / Repo	Short	Overnight	5.50	Very High
CP / CD / T Bills	Short	3 months CP*	6.65	High
		3 months CD	6.02	
		1 Year CP*	6.88	
		1 Year CD	6.45	
Central Government securities	Low High	to 10 years	6.53	Medium

XX. What are the Investment Strategies?

The fund is a passively managed index fund which will employ an investment approach designed to track the performance of Nifty SDL June 2028 Index.

Pursuant to Clause 3.5 of SEBI Master Circular dated June 27, 2024, replication of the Index by the Scheme shall be as follows:

The Scheme shall be considered to be replicating the underlying index, provided:

- i. The duration of the portfolio of Scheme replicates the duration of the underlying index within a maximum permissible deviation of +/- 10%.
- ii. The following norms for permissible deviation in duration shall apply:
 - a) For portfolio with residual maturity of greater than 5 years: Either +/- 6 months or +/- 10% of duration, whichever is higher.
 - b) For a portfolio with residual maturity of up to 5 years: Either +/- 3 months or +/- 10% of duration, whichever is higher.
 - c) However, at no point of time, the residual maturity of any security forming part of the portfolio shall be beyond the target maturity date of the Scheme.

During normal circumstances, the Scheme's exposure to money market instruments will be in line with the asset allocation table. However, in case of maturity of SDLs in the Scheme portfolio, the reinvestment will be in line with the index methodology.

RISK CONTROL

The Scheme will predominantly invest in SDLs which are constituents of the underlying Index viz. Nifty SDL June 2028 Index. Based on the availability of issuances, it is expected that the portfolio allocation could be different than that of underlying index allocation and could result in Tracking Error. That said broad risk parameters of the portfolio of the Scheme such as credit rating, weighted average YTM, weighted average maturity, asset allocation etc. are expected to be similar to the Underlying Index.

The Scheme's exposure to money market instruments will be in line with the asset allocation table.

This allocation will be monitored periodically and it shall be ensured that investments are made in accordance with the Scheme objective and within the regulatory and internal investment restrictions prescribed from time to time.

Since disciplined investing requires risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The Scheme has a detailed process to identify, measure, monitor and manage various portfolio risks.

XXI. Fundamental Attributes

Following are the Fundamental Attributes of the scheme, in terms of Clause 1.14 of SEBI Master Circular for Mutual Funds dated June 27, 2024:

(i) Type of a scheme

- Open ended
- Any other type of Fund –Index Fund

An open ended scheme replicating/tracking track the Nifty SDL June 2028 Total Return Index

Investment Objective The investment objective of the scheme is to track the Nifty SDL June 2028 Index by investing in State Development Loans (SDL), maturing on or before June 30, 2028, subject to tracking errors. However, there is no assurance that the investment objective of the Scheme will be realized and the Scheme does not assure or guarantee any returns.

- **Main Objective** - Growth
- **Investment pattern** -

Types of Instruments	Indicative allocation	
	(% of total assets)	
	Minimum	Maximum
State Development Loans (SDLs), Government securities, TREPs on Government Securities, Treasury bills	95%	100%
Money Market instruments (Treasury Bills, Government Securities and Tri-party Repo on government securities or T-bills Only)*	0%	5%

*Money Market Instruments will include only treasury bills and government securities having a residual maturity upto one year, Tri-party Repo on government securities or T-bills and any other like instruments as specified by the Reserve Bank of India from time to time.

Change in Asset Allocation:

The above mentioned investment pattern is indicative and subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may vary from time to time, on account of receipt of maturity proceeds, interest and/or receipt of subscription. As per clause 1.14.1.2 of SEBI Master Circular dated June 27, 2024, the Fund Manager, may deviate from the above investment pattern for short term period on defensive considerations. The same will be rebalanced within 7 Business Days and further action may be taken as specified under SEBI Circulars/ AMFI guidelines issued from time to time.

(ii) Terms of Issue

(a) Listing:

The Scheme being open ended; the Units are not proposed to be listed on any stock exchange.

(b) Redemption of Units:

The Unit Holder has the option to request for Redemption either in amount in rupees or in number of Units. In case the request for Redemption specifies both, i.e. amount in rupees as well the number of Units to be redeemed, then the latter will be considered as the redemption request and redemption will be processed accordingly. The minimum redemption amount shall be 'any amount' or 'any number of units' as requested by the investor at the time of redemption request. The Trustees have authorized the AMC to suo moto redeem such fractional balance units (less than 1 unit), on periodic basis across all schemes, as and when decided by the AMC. Units can be redeemed (sold back to the Fund) at the Redemption Price during the Ongoing Offer Period. If an investor has purchased Units of a Scheme on more than one Business Day the Units will be redeemed on a first-in-first-out basis. If multiple Purchases are made on the same day, the Purchase appearing earliest in the account statement will be redeemed first.

Redemption Price:

The Redemption Price of the Units is the price at which a Unit Holder can redeem Units of a scheme. It will be calculated as described below:

Redemption Price = Applicable NAV - (Applicable NAV x Exit Load*)

* Exit Load, whatever is applicable, will be charged.

Redemption Price will be calculated for up to four decimal places for the Scheme.

For example, if the Applicable NAV of a Scheme is Rs.10.5550, and it has a 2% Exit Load, the Redemption Price will be calculated as follows:

Redemption Price = 10.5550 - (10.5550 X 2.00%) i.e. 10.4550 - 0.2110 = 10.3440

If the Scheme has no Exit Load, the Redemption Price will be equal to the Applicable NAV.

The Securities Transaction Tax levied under the Income Tax Act, 1961, at the applicable rate on the amount of redemption will be reduced from the amount of redemption.

To illustrate:

If a Redemption of 4,900 units is sought by the Unit Holder at a Redemption Price of Rs. 10.3440 (as calculated above), the redemption amount is Rs. 50,685.60. Securities Transaction Tax (STT) for instance is 0.001%. This will be further reduced by the STT of Re. 0.50 (i.e. Rs. 50,685.60 x 0.001%), making the net redemption amount Rs. 50,685.10.

If a Redemption of Rs. 10,000 is sought by the Unit Holder at a Net Redemption Price of Rs. 10.3440 (as calculated above), which will give 966.744 Units; the effective redemption amount will be grossed up to Rs. 10,204.08 (i.e. $10,000 \div (1-2\%)$) and 966.744 units ($10,204.08 \div 10.555$) will be redeemed. This is to ensure that the Unit Holder receives the net amount of Rs. 10,000 as desired.

Investors may note that the Trustee has a right to modify the existing Load structure in any manner subject to a maximum as prescribed under the Regulations and with prospective effect only.

Please refer section – LOAD STRUCTURE.

Applicable NAV for Redemption / Switch-Out / Systematic Transfer Plan:

- In respect of valid Redemption applications accepted at a Designated Collection Centre up to 3 p.m. on a Business Day, the NAV of such day will be applicable.
- In respect of valid Redemption applications accepted at a Designated Collection Centre after 3 p.m. on a Business Day, the NAV of the next Business Day will be applicable.

(c) Aggregate fees and expenses charged to the scheme:

For detailed fees and expenses charged to the scheme please refer to section ‘Fees and Expenses’.

(d) The Scheme does not provide any safety net or guarantee to the investors. There is no assurance OR guarantee of returns.

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations and Clause 1.14.1.4 of SEBI

Master Circular for Mutual Funds dated June 27, 2024 the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- SEBI has reviewed and provided its comments on the proposal
- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of at least 30 calendar days to exit at the prevailing Net Asset Value without any exit load.

SCHEME SPECIFIC DISCLOSURES

I. Portfolio rebalancing

Post any transaction undertaken in the scheme portfolio, in order to meet the redemption and subscription obligations, it shall be ensured that replication of the portfolio with the index is maintained at all points of time, subject to permissible deviations.

The Fund Manager would monitor the Tracking Error of the Scheme on an ongoing basis and would seek to minimize the Tracking Error to the maximum extent possible.

The annualized tracking difference averaged over one year period shall not exceed 1.25%. In case the average annualized tracking difference over one year period is higher than 1.25%, the same shall be brought to the notice of trustees with corrective actions taken by the AMC, if any.

Rebalancing of deviation due to short term defensive consideration

Subject to the Regulations, the asset allocation pattern indicated above may deviate depending on factors as follows:

1. After the launch of the Scheme and until full deployment is achieved.
2. In case of the process of rebalancing of the portfolio in the following events:
 - a. Event of credit rating changes,
 - b. Corporate events,
 - c. Generating liquidity for IDCW payout.

In the event that the asset allocation of the Scheme should deviate from the ranges as noted in the asset allocation table above, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table above within a period of 7 days. Such changes in the asset allocation will be for short term and defensive considerations. However, in case of deviation in the asset allocation beyond 7 Days, the justification for the same shall be provided by the Fund Manager of the Scheme to the Investment Committee and the reason for the same shall be recorded in writing. Subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be affected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

In accordance with clause 3.5 of SEBI Master Circular dated June 27, 2024; the underlying index shall comply with the portfolio concentration norms as prescribed in the circular.

II. Disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions

Aggregate investment in the Scheme by:

Sr. No.	Category of Persons	Net Value		
		Units	NAV per unit	Market Value
1	AMC's Board of Directors	0	0	0
2	Scheme's Fund Manager(s)	0	0	0
3	Other key managerial personnel	0	0	0

For detailed disclosure, kindly refer SAI.

III. Investments of AMC in the Scheme

Investment of AMC in Mirae Asset Nifty SDL June 2028 Index Fund as on September 30, 2025 is **NIL**

The AMC shall not invest in any of the schemes unless full disclosure of its intention to invest has been made in the Scheme Information Document and that the AMC shall not be entitled to charge any fees on such investment.

For detailed disclosure, kindly refer SAI.

IV. Taxation

For details on taxation please refer to the clause on Taxation in the SAI apart from the following:

Rates of tax and tax deducted at source (TDS) under the Act for Capital Gains from transfer of units of Debt and Money Market Mutual Funds:

Type of Capital Gain	Income Tax Rates		TDS Rates	
	Resident/ PIO/ NRI/ Other non FII non-residents	FII	Resident	NRI/OCBs/ FII & others
+ Short Term Capital Gain (redemption before completing three years of holding for sale prior to 23 July 2024 and two years of holding for sale on or after 23 July 2024)	Normal rates of tax applicable to the assessee	30%	Nil	30% for Non-resident other than corporates 40% (till 31 March 2024)/ 35% (from 1 April 2024) for non-residents corporates
++ Long Term Capital Gain (applicable only if units are acquired prior to 1 April 2023, irrespective of the date of sale)	For sale made prior to 23 July 2024 - 20%# For sale made on or after 23 July 2024 – 12.5%*	10%*	Nil	10% / 12.5%

*without indexation benefit

+ Units acquired post 1 April 2023 would be considered as units sold of a Specified Mutual Fund (SMF) as mentioned below and hence, any gains arising on transfer of such units would be deemed to be short-term capital gains. However, with respect to units acquired prior to 1 April 2023, gains arising on transfer of such units would not be considered as units sold of a Specified Mutual Fund (SMF) as mentioned below and would continue to be governed by the normal provisions (i.e., long-term or short-term, depending upon period of holding) as mentioned in the table above.

++ As per the amended Finance Bill 2023, a Specified Mutual Fund (SMF) acquired on or after April 1, 2023, shall be deemed to be short-term capital asset and hence, the gains arising on such transfer will be regarded as short-term capital gains (STCG) irrespective of period of holding. SMF is a Mutual Fund holding less than 35% of its total investment in equity shares of domestic companies. Accordingly, such Mutual Funds holding less than 35% of its total investment in equity shares as well as Fund of Funds shall fall within the ambit of SMF and the gains arising on its transfer will be regarded as STCG and would be taxable at the rate of 15% (where transfer takes place before 23 July 2024) or 20% (where transfer takes place on or after 23 July 2024) (plus applicable surcharge and cess) and no indexation benefit will be available on transfer of such investments. However, effective 01 April 2025, the definition of 'Specified Mutual Fund' has been proposed to be amended as under:

- A mutual fund wherein more than 65% of total proceeds are invested in the debt and money market instruments; or
- Fund which invests 65% or more of its total proceeds in units of a fund referred in clause (a) above, calculated basis the annual average of the daily closing figures

As a result of the proposed amendment, capital gains on sale of mutual Funds investing more than 65% in debt and money market instruments or Fund which invests 65% or more of its total proceeds in units of such fund (i.e., Debt and Money Market Mutual Funds) would continue to be deemed to be short-term capital gains.

V. Associate Transactions:

For detailed disclosure, kindly refer SAI.

VI. Listing and transfer of units

The Scheme being open ended, the Units are not proposed to be listed on any stock exchange and no transfer facility on the exchange is provided. However, the Trustee reserves the right to list the units as and when open-end Schemes are permitted to be listed under the Regulations, and if the Trustee considers it necessary in the interest of unit holders of the Scheme.

Units held in Demat form are transferable (subject to lock-in period, if any and subject to lien, if any marked on the units) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 2018, as may be amended from time to time. Transfer can be made only in favor of transferees who are capable of holding Units and having a Demat Account. The delivery instructions for transfer of Units will have to be lodged with the DP in requisite form as may be required from time to time and transfer will be effected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode. Further, for the procedure of release of lien, the investors shall contact their respective Depository.

However, if a person becomes a holder of the Units consequent to operation of law or upon enforcement of a pledge, the Mutual Fund will, subject to production of satisfactory evidence, effect the transfer, if the transferee is otherwise eligible to hold the Units. Similarly, in cases of transfers taking place consequent to

death, insolvency etc., the transferee's name will be recorded by the Mutual Fund subject to production of satisfactory evidence.

Please refer SAI for details on transmission, nomination, lien, pledge, duration of the Scheme and Mode of Holding.

Transfer of units held in Non-Demat [Statement of Account ('SOA')] mode:

Pursuant to the provisions of AMFI Best Practices Guidelines Circular No.116 /2024-25 dated August 14, 2024, units held by individual unitholders in Non-Demat ('SoA') mode can be transferred under the following categories:

- a. surviving joint holder, who wants to add new joint holder(s) in the folio upon demise of one or more joint unitholder(s).
- b. Nominee of a deceased unitholder, who wants to transfer the units to the legal heirs of the deceased unitholder, post the transmission of units in the name of the nominee;
- c. a minor unitholder who has turned a major and has changed his/her status from minor to major, wants to add the name of the parent / guardian, sibling, spouse etc. in the folio as joint holder(s).
- d. Transfer to siblings
- e. Gifting of units
- f. Transfer of units to third party
- g. Addition/deletion of unit holder

Partial transfer of units held in a folio shall be allowed. However, if the balance units in the transferor's folio falls below specified threshold / minimum number of units as specified in the SID, such residual units shall be compulsorily redeemed, and the redemption amount will be paid to the transferor.

If the request for transfer of units is lodged on the record date, the IDCW payout/ reinvestment shall be made to the transferor.

Redemption of the transferred units shall not be allowed for 10 days from the date of transfer. This will enable the investor to revert in case the transfer is initiated fraudulently.

The facility for transfer of Units held in Non-Demat (SOA) mode shall be made available only through online mode via the transaction portals of the RTAs and the MF Central i.e., the transfer of units held in SoA mode shall not be allowed through physical/ paper-based mode or via the stock exchange platforms, MFU, channel partners and EOPs etc.

For further details on Pre-requisites and Payment of Stamp duty on Transfer of Units, please refer SAI.

VII. Dematerialization of units

The Unit holders are given an Option to hold the units by way of an Account Statement (Physical form) or in Dematerialized ('Demat') form.

Mode of holding shall be clearly specified in the KIM cum application form.

The Unit holder intending to hold the units in Demat form are required to have a beneficiary account with the Depository Participant (DP) (registered with NSDL / CDSL). Unit holders opting to hold the units in demat form must provide their Demat Account details like the DP's name, DP ID Number and the beneficiary account

number of the applicant with the DP, in the specified section of the application form.

In case Unit holders do not provide their Demat Account details, unit will be allotted to them in physical form and an Account Statement shall be sent to them.

Investors holding units in dematerialized form as well as investors holding units in physical form, both shall be able to trade on the BSE StAR MF Platform, NSE NMF II and ICEX.

VIII. Minimum Target amount

Not Applicable

IX. Maximum Amount to be raised (if any)

Not Applicable.

X. Dividend Policy (IDCW)

The IDCW warrants shall be dispatched to the unit holders within 7 working days from the record date.

In case of Unit Holder having a bank account with certain banks with which the Mutual Fund would have made arrangements from time to time, the IDCW proceeds shall be directly credited to their account.

The IDCW will be paid by warrant and payments will be made in favor of the Unit holder (registered holder of the Units or, if there is more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund (please note that it is mandatory for the Unit holders to provide the Bank account details as per the directives of SEBI).

Further, the IDCW proceeds may be paid by way of ECS/EFT/NEFT/RTGS/any other manner through which the investor's bank account specified in the Registrar & Transfer Agent's records is credited with the IDCW proceeds as per the instructions of the Unit holders.

In case the delay is beyond seven working days, then the AMC shall pay interest @ 15% p.a. from the expiry of seven working days till the date of dispatch of the warrant.

XI. Allotment

The AMC shall send an allotment confirmation specifying the units allotted by way of e-mail and/or SMS within 5 Business Days of receipt of valid application to the Unit holders registered e-mail address and/or mobile number.

As the units of the Scheme will be issued, traded and settled compulsorily in dematerialized (electronic) form, the statement of holding of the Unitholder i.e. beneficiary account holder will be sent by the respective DPs periodically.

XII. Refund

If application is rejected, full amount will be refunded in terms of applicable provisions of Master Circular dated June 27, 2024.

Note 2. Applicants under Power of Attorney:

An applicant willing to transact through a power of attorney must lodge the photocopy of the Power of Attorney (PoA) attested by a Notary Public or the original PoA (which will be returned after verification) within 30 Days of submitting the Application Form / Transaction Slip at a Designated Collection Centre. Applications are liable to be rejected if the power of attorney is not submitted within the aforesaid period.

XIV. Who cannot invest

It should be noted that the **following entities cannot invest in the scheme:**

- Any individual who is a foreign national or any other entity that is not an Indian resident under the Foreign Exchange Management Act, 1999, except where registered with SEBI as a FPI. However, there is no restriction on a foreign national from acquiring Indian securities provided such foreign national meets the residency tests as laid down by Foreign Exchange Management Act, 1999.
- Overseas Corporate Bodies (OCBs) shall not be allowed to invest in the Scheme. These would be firms and societies which are held directly or indirectly but ultimately to the extent of at least 60% by NRIs and trusts in which at least 60% of the beneficial interest is similarly held irrevocably by such persons (OCBs.)
- Non-Resident Indians residing in the Financial Action Task Force (FATF) Non-Compliant Countries and Territories (NCCTs)
- “U.S. Person” under the U.S. Securities Act of 1933 and corporations or other entities organized under the laws of U.S.
- Residents of Canada or any Canadian jurisdiction under the applicable securities laws.
- The Fund reserves the right to include / exclude new / existing categories of investors to invest in the Scheme from time to time, subject to SEBI Regulations and other prevailing statutory regulations, if any.

Subject to the Regulations, any application for subscription of Units may be accepted or rejected if found incomplete or due to unavailability of underlying securities, etc. For example, the Trustee may reject any application for the Purchase of Units if the application is invalid or incomplete or if, in its opinion, increasing the size of any or all of the Scheme's Unit capital is not in the general interest of the Unit Holders, or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its Unit Holders to accept such an application.

The AMC / Trustee may need to obtain from the investor verification of identity or such other details relating to a subscription for Units as may be required under any applicable law, which may result in delay in processing the application.

XV. The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.

All units can be reissued without any limit by the Scheme.

XVI. Restrictions, if any, on the right to freely retain or dispose of units being offered.

The Fund at its sole discretion reserves the right to restrict Redemption (including switchout) of the Units (including Plan /Option) of the Scheme of the Fund upon occurrence of the below mentioned events for a period not exceeding ten (10) working days in any ninety (90) days period subject to approval of the Board of Directors of the AMC and the Trustee. The restriction on Redemption (including switch-out) shall be applicable where the Redemption (including switch-out) request is for a value above Rs. 2,00,000/- (Rupees Two Lakhs). Further, no restriction shall be applicable to the Redemption / switch-out request upto Rs. 2,00,000/- (Rupees Two Lakhs). It is further clarified that, in case of redemption request beyond Rs. 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first Rs. 2,00,000/- (Rupees Two Lakhs).

The Trustee / AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constrict market liquidity or the efficient functioning of the markets. A list of such circumstances under which the restriction on Redemption or suspension of Redemption of the Units in the Scheme of the Fund may be imposed are as follows:

1. Liquidity issues- when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; or
2. Market failures / Exchange closures; or
3. Operational issues; or
4. If so directed by SEBI.

It is clarified that since the occurrence of the abovementioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines (i.e. within 3-4 Business Days) mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable.

Right to Limit Subscription:

In the interest of the investors and in order to protect the portfolio from market volatility, the Trustees reserve the right to limit or discontinue subscriptions under the Scheme for a specified period of time or till further notice.

XVII. Cut off timing for subscriptions/ redemptions/ switches:

This is the time before which your application (complete in all respects) should reach the official points of acceptance.

Cut-off time is the time before which the Investor's Application Form(s) (complete in all respects) should reach the Official Points of Acceptance to be entitled to the Applicable NAV of that Business Day.

An application will be considered accepted on a Business Day, subject to it being complete in all respects and received and time stamped upto the relevant Cut-off time mentioned below, at any of the Official Points of Acceptance of transactions. Where an application is received and the time stamping is done after the relevant Cut-off time the request will be deemed to have been received on the next Business Day.

Cut off timing for subscriptions/purchases/switch- ins:

- i. In respect of valid applications received upto 3.00 p.m. at the Official Point(s) of Acceptance and where the funds for the entire amount of subscription / purchase/switch-ins as per the application are credited to the bank account of the Scheme before the cut-off time i.e. available for utilization before the cut-off time- the closing NAV of the day shall be applicable.
- ii. In respect of valid applications received after 3.00 p.m. at the Official Point(s) of Acceptance and where the funds for the entire amount of subscription / purchase as per the application are credited to the bank account of the Scheme before the cut-off time of the next Business Day i.e. available for utilization before the cut-off time of the next Business Day - the closing NAV of the next Business Day shall be applicable.
- iii. Irrespective of the time of receipt of applications at the Official Point(s) of Acceptance, where the funds for the entire amount of subscription/purchase/ switch-ins as per the application are credited to the bank account of the Scheme before the cut-off time on any subsequent Business Day i.e. available for utilization before the cut-off time on any subsequent Business Day - the closing NAV of such subsequent Business Day shall be applicable.

For Redemption/ Repurchases/Switch out

- i. In respect of valid application accepted at an Official Points of Acceptance up to 3 p.m. on a Business Day by the Fund, the closing NAV of that day will be applicable.
- ii. In respect of valid application accepted at an Official Point of Acceptance as listed in the SAI, after 3 p.m. on a Business Day by the Fund, the closing NAV of the next Business Day will be applicable.

XVIII. Minimum balance to be maintained and consequences of non-maintenance

There is no requirement of minimum balance.

XIX. Accounts Statements

The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form).

A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by email on or before 12th of the succeeding month who have opted for e-CAS and on or before 15th day of the succeeding month to investors who have opted for delivery via physical mode.

Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 18th day of succeeding month who have opted for e-CAS and on or before 21st day of the succeeding month to investors who have opted for delivery via physical mode, to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable.

For further details, refer SAI.

XX. Dividend/ IDCW

The payment of dividend/IDCW to the unitholders shall be made within seven working days from the record date or as per timelines prescribed by SEBI/AMFI from time to time.

XXI. Redemption

The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase.

For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.

Non-Resident Investors

For NRIs, Redemption proceeds will be remitted depending upon the source of investment as follows:

(i) Repatriation basis

When Units have been purchased through remittance in foreign exchange from abroad or by cheque / draft issued from proceeds of the Unit Holder's FCNR deposit or from funds held in the Unit Holder's Non-Resident (External) account kept in India, the proceeds can also be sent to his Indian address for crediting to his NRE/FCNR/non-resident (Ordinary) account, if desired by the Unit Holder.

(ii) Non-Repatriation basis

When Units have been purchased from funds held in the Unit Holder's non-resident (Ordinary) account, the proceeds will be sent to the Unit Holder's Indian address for crediting to the Unit Holder's non-resident (Ordinary) account.

For FPIs, the designated branch of the authorized dealer may allow remittance of net sale / maturity proceeds (after payment of taxes) or credit the amount to the Foreign Currency account or Non-resident Rupee account of the FPI maintained in accordance with the approval granted to it by the RBI. The Fund will not be liable for any delays or for any loss on account of any exchange fluctuations, while converting the rupee amount in foreign exchange in the case of transactions with NRIs/FPIs. The Fund may make other arrangements for effecting payment of redemption proceeds in future.

The normal processing time may not be applicable in situations where necessary details are not provided by investors/Unit holders. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques and/or any delay/loss in transit

For further details, refer SAI.

XXII. Bank Mandate

It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per SEBI requirements and any Application Form without these details will be treated as incomplete. Such incomplete applications will be rejected. The Registrar / AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number.

XXIII. Delay in payment of redemption/ repurchase proceeds/dividend

The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @15% per annum) in case the redemption proceeds are not made within 3 working Days from the date of receipt of a valid redemption request and in case of IDCW are not made with 7 Days from the record date.

For further details, please refer SAI.

XXIV. Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount

As per the Clause 14.3 of SEBI Master Circular dated June 27, 2024, the unclaimed Redemption and dividend amounts shall be deployed by the Fund in call money market or money market instruments and in a separate plan of Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. The AMCs shall not be permitted to charge any exit load in this plan.

Provided that such schemes where the unclaimed redemption and IDCW amounts are deployed shall be only those Overnight scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix.

The investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount can be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. In terms of the circular,

the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts.

As per SEBI Letter dated January 22, 2025, unclaimed redemption and dividend amounts are to be transferred by the Asset Management Company (AMC) to the Unclaimed Dividend and Redemption Scheme (UDRS) after a period of 90 days and no later than 105 days from the date of issuance of the instruments. The AMC shall maintain separate schemes or plans for unclaimed IDCW and redemption amounts pending for less than three years and for more than three years. Upon completion of the initial three-year period, such units shall be transferred to UDRS within 10 business days of the subsequent month. Furthermore, income accrued on these unclaimed amounts beyond three years will be transferred on a monthly basis (on or before the 10th calendar day of the following month) to the Investor Education and Protection Fund as specified by SEBI.

The website of Mirae Asset Mutual Fund also provides information on the process of claiming the unclaimed amount and the necessary forms / documents required for the same.

The details of such unclaimed amounts are also disclosed in the annual report sent to the Unit Holders.

Important Note: All applicants must provide a bank name, bank account number, branch address, and account type in the Application Form.

For further details, please refer SAI.

XXV. Disclosure w.r.t investment by minors

- Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian.
- Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified account of the minor i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities.
- The AMC will send an intimation to Unit holders advising the minor (on attaining majority) to submit an application form along with prescribed documents to change the status of the account from 'minor' to 'major'.
- All transactions / standing instructions / systematic transactions etc. will be suspended i.e. the Folio will be frozen for operation by the guardian from the date of beneficiary child completing 18 years of age, till the status of the minor is changed to major. Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new bank account.
- No investments (lumpsum/SIP/ switch in/ STP in etc.) in the scheme would be allowed once the minor attains majority i.e. 18 years of age.

For further details, please refer SAI.
